NEWSLETTER #45

JANUARY, 2023

Message from the CEO:

Greetings,

Let me start with extending my sincere wishes for a prosperous year to come.

No doubt 2022 has been a rollercoaster ride. The year coming on will surely be loaded with new objectives and goals. Challenges will definitely present itself in different forms. With perseverance all of us will be able to overcome these challenges. I'm proud that SCAS has been growing and flourishing in various ways. Our team's commitment to client satisfaction and contributions to company initiatives have been essential to our success. Building a name in the construction industry associated with trust, innovation and quality is key. Our client's confidence and firm reliance on the integrity and high quality of our services fill us with delight and determination to safeguard our client retention record.

Lessons learned from 2022 will most definitely be the driving force for all of us to succeed in 2023.

Wishing everyone a very Merry Christmas and Happy New Year.

Warm Regards,

Taymour Scarello
Chief Executive Officer

Importance Of Site Safety

Construction sites should always follow HSE procedures. There are many things that can go wrong and cause accidents. For example, a worker could be hit by a car or fall from a height. To ensure safety on-site, construction companies should implement safety measures such as enclosed walkways and railings, warning signs and barriers.

The safety rules on site include but not limited to:

- Safety gear must be worn at all times
- Workers must wear hard hats when they are working
- Workers must wear steel-toed boots
- Workers must wear gloves when handling materials that may contain chemicals or other harmful substances.

How to Keep Your New Year's Resolutions

Actually

Stick to picking just one

Be realistic and specific

Write out a detailed plan

Try new goals each year

Ask for support from loved ones

Try a resolutions journal

A photograph of a modern office lobby. The space features a polished stone floor, dark wood paneling on the walls and columns, and white marble walls on the right. Several potted plants are placed throughout the area. The ceiling has recessed lighting. The overall atmosphere is clean, professional, and contemporary.
